ABOUT US

TRInternational, Inc. is one of North America's largest women-owned ingredients, raw materials, and services suppliers. We are committed to providing reliable sourcing and capabilities to ensure the continuity of your operations and achieve your objectives. We offer exclusive supplier relationships, industry market intel, and product knowledge with nationwide chemical services, storage, and operations.

As a small business with SBA WOSB, WBENC, & NGLCC certifications, TRI is committed to Excellence for our State, Federal, and Commercial clients.

Core Competencies & Consolidated Services

- Raw Material Sourcing & Diversification Solutions
- Dedicated Operations, Logistics, & Support
- Customer-Specific Product Alternatives & Offsets
- Custom Manufacturing Including Solution & Dry Blending
- Proprietary Formulation, & Laboratory Services
- Contract Packaging & Private Labeling Services
- Over 20 Stocking & Import Points across North America

Support & Logistics

- Dedicated one-on-one support staff, customer service, and sales
- Quality product alternatives and functional offsets
- Experts in domestic and international market conditions
- Nation-wide warehousing and stocking points
- Contracts with multiple ocean freight and inland carriers
- Pre-shipment samples for special specification products

Differentiators

- Ability to secure "hard to source" products from domestic and international sources
- Verified 'Responsible Distributor' and active National Association of Chemical Distributors (NACD) member
- Distributor of the Year, NACD - 2022
- Top 100 Chemical Distributors in North America, ICIS
- Committed to improving lives and giving back to our communities

- Schools & Airlines

SECURE SUPPLY

Deep portfolio of supplier partners with global sourcing from over 20 countries. Ensure access to quality products and prepare for inevitable supply disruptions.

INFORM & COMMIT

Share market intelligence and data on pricing and supply each month or quarter to ensure the health and success of the business together.

DELIVER

Products in stock to ensure just in time deliveries on an as-needed basis. Reduce in-house storage and keeps raw material inventory off the books until it is needed.

FLEXIBLE SERVICES

Broaden your range of capabilities, improve purchasing power, & increase the variety of products your business can offer.

TRI meets YOUR needs as YOU require.

Experience & Service
consistently supplying raw materials maximizing freight benefits from multiple sources
