**CATALYNT meets YOUR needs as YOU require.**

### CONSOLIDATE

Full-line of quality specialty chemistries and commodity raw materials that meet your specifications to match an array of applications and end-uses.

### MANUFACTURE

We combine technological expertise with strong production capabilities to offer our customers a wide range custom manufacturing, packaging, and private labeling service

### QUALITY CONTROL

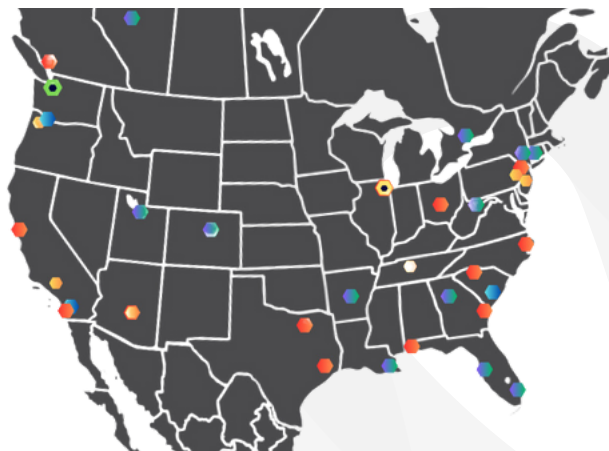

Full service quality control lab, with the ability to test for customer required specifications on finish goods or raw materials. Samples retained at customer's request.

### DELIVER

Products in stock to ensure just in time deliveries on an as-needed basis. Reduce in-house storage and keeps raw material inventory off the books until it is needed.
