

We are Catalynt?

Flexible, yet steadfast.

We are a reliable partner in an industry that can be unpredictable. We're also resourceful, finding and acting on creative solutions that change your business outlook.

Ambitious, yet caring.

When our partners win, we win. So we put our ambitious spirit to work to achieve mutual growth.

Straightforward, yet optimistic.

We speak clearly and without pretense to ensure your expectations are met, that crises are averted, and that we all get stronger and better along the way.

About Catalynt

We want to be your full-service supplier.

Catalynt is one of the largest certified woman-owned custom manufacturing and packaging service providers and suppliers of raw materials and ingredients in North America.

We offer exclusive manufacturer relationships, industry market intel and product knowledge, and a range of custom services. We anticipate disruptions in the supply chain and connect our customers to the materials they need, even in times of crisis.

Why Catalynt?

The raw materials industry has its share of tensions, and we work to get ahead of them so that your business stays on course. We're reliable. We're responsive. We're agile. We take the time to establish relationships with you and your business, and we offer exceptional, hands-on customer support. We'll meet your needs, no matter the size of their business.

Because your work is important to the world, and that's important to us.
