## Cosmetics & Personal Care

Catalynt is one of the largest certified woman-owned custom manufacturing and packaging service providers and suppliers of raw materials and ingredients in North America.

We offer exclusive manufacturer relationships, industry market intel and product knowledge, and a range of customer services. We do our best to anticipate disruptions in the supply chain, connecting our customers to the materials they need, even in times of crisis.

**Because your work is important to the world, and that's important to us.**

### RAW MATERIALS & SPECIALTY CHEMICALS

Full-line of quality specialty chemistries & ingredients that meet your specifications to match an array of applications and end-uses. Access to national wide stocking & import points across North America and sourcing from over 20 countries.

### MANUFACTURING & LABORATORY SERVICES

Contract manufacturing and full-service quality control lab, with the ability to test for customer-required specifications on finished goods or raw materials. Samples retained at customer's request.

## We want to be your full-service supplier

The raw materials industry has its share of tensions, and we work to get ahead of them so that your business stays on course. We're reliable. We're responsive. We're agile. We take the time to establish relationships with you and your business, and we offer exceptional, hands-on customer support. We'll meet your needs, no matter the size of their business.
