- Rust Removal and Passivation Products
- Neutral and High Alkaline Cleaners
- Metal Surface Protectants
- Weld Discoloration Cleaning Products
- Metal Stripping Products

Metal Finishing Products Chemistries

Metal Chem, all grades

- Electroless Nickel Solutions
- Electroless Nickel-Phosphorus Plating
- Pretreatments
- Connector & Plating Bath Concentrates
- Soak Cleaners & Strippers

CATALYNT meets YOUR needs as YOU require.

CONSOLIDATE

Full-line of quality specialty chemistries and commodity raw materials that meet your specifications to match an array of applications and end-uses.

MANUFACTURE

We combine technological expertise with strong production capabilities to offer our customers a wide range custom manufacturing, packaging, and private labeling service

QUALITY CONTROL

Full service quality control lab, with the ability to test for customer required specifications on finish goods or raw materials. Samples retained at customer's request.

DELIVER

Products in stock to ensure just in time deliveries on an as-needed basis. Reduce in-house storage and keeps raw material inventory off the books until it is needed.

Certifications & Registrations
