

We are Catalynt?

Flexible, yet steadfast.

We are a reliable partner in an industry that can be unpredictable. We're also resourceful, finding and acting on creative solutions that change your business outlook.

Ambitious, yet caring.

When our partners win, we win. So we put our ambitious spirit to work to achieve mutual growth.

Straightforward, yet optimistic.

We speak clearly and without pretense to ensure your expectations are met, that crises are averted, and that we all get stronger and better along the way.

CATALYNT™

MANUFACTURING

Connecting you to the materials and services you need.

About Catalynt

We want to be your full-service supplier.

Catalynt is one of the largest certified woman-owned custom manufacturing and packaging service providers and suppliers of raw materials and ingredients in North America.

We offer exclusive manufacturer relationships, industry market intel and product knowledge, and a range of custom services. We anticipate disruptions in the supply chain and connect our customers to the materials they need, even in times of crisis.

@TeamCatalynt
