A message from **Our CEO**

Megan E. Gluth, Esq.

CEO & Owner, Catalynt Solutions, Inc.

I am resolute in my contention that the same values with which I was raised are the ones that will guide me now. There are no shortcuts for hard work, one can only thrive in their integrity, and all people must be truly valued in our presence.

- Chairwoman of the Board for the Alliance for Chemical Distribution (ACD)
- Women Presidents Organization (WPO) Women2Watch - 2024
- EY Entrepreneur Of The Year® Mountain West - 2023
- Business Journal's Middle Market Fast 50 Leaders of 2023
- Puget Sound Business Journal "40 Under 40" honoree - 2016

CATALYNT **Mission Statement**

WE ARE a dedicated team, and we work hard to transform ourselves and our communities for the better. We stand by our customers and suppliers through thick and thin. We anticipate their problems and deliver solutions, because their work is important to the world – and that's important to us. We are CATALYNT.

About **CATALYNT™**

***WE ARE committed, competitive, connected, and candid.
Connecting you to the materials and services you need.
We are CATALYNT.***

Catalynt is one of the largest certified woman-owned suppliers of raw materials, ingredients, and chemical services in North America, serving industries for over 30 years. We are a certified small business with SBA, WOSB, WBENC, & NGLCC certifications.

Catalynt holds exclusive manufacturer relationships, provides industry market intel and product knowledge, and offers a wide range of services, including custom manufacturing, contract packaging, and full laboratory services. We do our best to anticipate disruptions in the supply chain and connect our customers to the materials they need, even in times of crisis.

Because your work is important to the world, and that's important to us.

Why Catalynt?

Committed

Connected

Reach & Service

- 20+ Import & Stocking Points throughout the US
- Global sourcing from over 20 countries
- Customers include Fortune 500 companies and small family-owned businesses - we value them all
- ISO Certified contract manufacturing, packaging, laboratory and other chemical services at our plant in Bensenville, IL
- Dedicated support personnel for every account to ensure 24/7 access and support
- A deep portfolio of supplier partners to ensure access to quality products
- Comprehensive compliance and logistics services performed with rigor
- A diverse supplier committed to the uplift of our work together and our shared commitment to diversity

Operational Excellence

- Decades of Global Purchasing and Logistics Experience
- In-house Import and Export Customs Clearance procedures and documentation management
- Demonstrating a sustained commitment to the success of our customers' enterprises
- Consistent review of inventory positions and recommended reorder points
- Maximizing freight benefits from multiple sources and providing an alternate routing solution

Responsible Distribution

- Verified 'Responsible Distributor' – Alliance for Chemical Distribution (ACD)
- We follow the ACD's Responsible Distribution guiding principals and commitments to continuous performance improvement throughout the import, export, storage and handling process
- As a Responsible Distributor, we ensure compliance with all applicable laws and regulations set forth by governmental and organizational authorities
- Vet and utilize highest quality freight and warehouses for optimal order fulfillment

Ingredients for Food Processing

EXTEND & PROTECT

Discover our range of functional ingredients and processing aids developed to preserve freshness, enhance shelf life, and protect quality—ideal for prepared foods, snacks, meats, and packaged goods.

Emulsifiers:

- **Glyceryl Monostearate**
- **Lecithin – Dry**
- **Lecithin – Liquid**
- Monoethanolamine (MEA)
- Sodium Hexametaphosphate
- Sorbitol – Dry
- Xanthan Gum

Antioxidants & Preservatives:

- Ascorbic Acid
- **Benzoic Acid**
- **Butylated Hydroxytoluene (BHT)**
- Citric Acid
- **Erythorbic Acid**
- **Fumaric Acid**
- Glycerine
- Lactic Acid
- Phosphoric Acid
- Potassium Citrate
- **Propylene Glycol (PG USP)**
- Sodium Acid Pyrophosphate (SAPP)
- Sodium Benzoate
- Sodium Bicarbonate
- Sodium Bisulfite
- **Sodium Citrate**
- Sodium Diacetate
- Sodium Hexametaphosphate
- Sodium Metabisulfite
- Sodium Nitrate
- Tartaric Acid / L-Tartaric Acid
- **Tertiary Butyl Hydroquinone (TBHQ)**

Flavor & Moisture Enhancers:

- Citric Acid
- **Fumaric Acid**
- Glycerine
- Lactic Acid
- Monosodium Glutamate (MSG)
- Potassium Citrate
- **Propylene Glycol (PG USP/PGI)**
- Sodium Bicarbonate
- Sodium Citrate
- Sorbitol - Dry
- Tartaric Acid
- Tricalcium Phosphate

Binders & Extenders

- Corn Starch
- **Carboxy Methyl Cellulose (CMC/PAC)**
- Pearl Starch
- Sodium Starch Glycolate
- Tetrapotassium Pyrophosphate
- Xanthan Gum

Curing Agents:

- Sodium Chloride (Salt)
- Sodium Diacetate
- Sodium Nitrate

Ingredients for Beverages

ENHANCE & REFRESH

Explore our selection of flavor enhancers, acidulants, sweeteners, and stabilizers—crafted to elevate taste, clarity, and consistency in both functional and indulgent beverage formulations.

Preservatives:

- Ascorbic Acid
- **Benzoic Acid**
- **Butylated Hydroxytoluene (BHT)**
- Dimethyl Dimethylol Hydantoin (DMDMH)
- Erythorbic Acid
- Sodium Benzoate
- Sodium Bisulfite
- Sodium Diacetate
- Tertiary Butyl Hydroquinone (TBHQ)

Flavor Enhancers:

- Citric Acid
- Glycerine
- Glycolic Acid
- Sodium Citrate

Shelf-Life Extenders:

- Ascorbic Acid
- **Butylated Hydroxytoluene (BHT)**
- **Erythorbic Acid**
- Sodium Benzoate
- Tertiary Butyl Hydroquinone (TBHQ)

Sweeteners:

- Glycerine
- Sorbitol – Dry

Acidulants:

- Acetic Acid
- Citric Acid
- **Fumaric Acid**
- Lactic Acid
- Phosphoric Acid
- Tartaric Acid

Stabilizers & Emulsifiers:

- **Carboxy Methyl Cellulose (CMC/PAC)**
- **Glyceryl Monostearate**
- Hydroxyethyl Cellulose (HEC)
- **Lecithin – Dry**
- **Lecithin – Liquid**
- Xanthan Gum

Colorants & Processing Aids:

- Activated Carbon
- Diatomaceous Earth

Ingredients for Dairy & Alternatives

PLANT-BASED PERFORMANCE

Unlock our curated portfolio of dairy and non-dairy formulation ingredients—delivering texture, stability, and nutritional support across milk, yogurt, ice cream, cheese, and plant-based innovations.

Thickeners, Stabilizers, & Texture Enhancers:

- **Carboxy Methyl Cellulose (CMC/PAC)**
- Corn Starch
- Glycerine
- Glyceryl Monostearate
- Hydroxyethyl Cellulose (HEC)
- **Lecithin - Dry**
- **Lecithin - Liquid**
- Pearl Starch
- Potassium Citrate
- Sodium Alginate
- Sodium Citrate
- Sodium Starch Glycolate
- Sorbitol - Dry
- Xanthan Gum

Acidulants & pH Regulators:

- Citric Acid
- **Fumaric Acid**
- Lactic Acid
- Phosphoric Acid
- Tartaric Acid / L-Tartaric Acid

Preservative & Antioxidants:

- Ascorbic Acid (Vitamin C)
- Sodium Benzoate
- **Benzoic Acid**
- **Tertiary Butyl Hydroquinone (TBHQ)**

Salts & Mineral Additives:

- Calcium Carbonate
- Calcium Chloride
- Magnesium Chloride Hexahydrate
- Potassium Chloride
- Sodium Bicarbonate
- Sodium Tripolyphosphate (STPP)
- Tricalcium Phosphate

Other Ingredients:

- Ammonium Chloride
- Diatomaceous Earth
- Ferric Chloride, Solution
- Sodium Diacetate
- Urea

Ingredients for Farm & Feed

GROWTH & IMMUNITY

Support animal health and performance with our feed-grade ingredients—designed to promote immunity, improve absorption, and enhance growth across cattle, poultry, swine, and aquaculture systems.

Acidifiers & pH Regulators:

- Citric Acid
- Fumaric Acid
- Lactic Acid
- Phosphoric Acid
- Sodium Citrate
- Sodium Formate

Essential Vitamins & Antioxidants:

- Ascorbic Acid
- **Benzoic Acid**

Electrolytes & Hydration:

- Calcium Chloride
- Potassium Chloride
- Sodium Bicarbonate
- Sodium Chloride (Salt)

Nutrients & Digestion:

- **Copper Sulfate & Solutions**
- Ferrous Chloride
- Magnesium Chloride Hexahydrate
- Rumen Bypass Fat/Palmitic Acid
- Propionic Acid
- Zinc Sulfate Heptahydrate

Calcium & Phosphorus Sources:

- Calcium Carbonate
- Tricalcium Phosphate

Energy Sources & Emulsifiers:

- Glycerine
- **Lecithin - Dry**
- **Lecithin - Liquid**

Preservatives & Binders

- Diatomaceous Earth
- EDTA

Nitrogen Sources:

- Urea

Fungicides, Insecticides, & Herbicides:

- Boric Acid
- Citric Acid
- **Copper Sulfate & Solutions**
- EDTA
- Isopropyl Alcohol
- Monoethanolamine (MEA)
- Monopotassium Phosphate
- Phosphate Ester Surfactants
- Phosphoric Acid
- **Propylene Glycol**
- Sodium Bicarbonate
- Urea

Plant Nutrition:

- Ammonium Chloride
- Ammonium Sulfate
- Boric Acid
- Calcium Carbonate
- Calcium Chloride
- Calcium Nitrate, Tetrahydrate
- **Caustic Soda (NaOH)**
- Caustic Potash (KOH)
- Choline Chloride
- Citric Acid
- Diammonium Phosphate
- EDTA
- Ferrous Sulfate
- Glycine
- Hydrochloric Acid
- Hydrogen Peroxide
- Magnesium Acetate
- Magnesium Hydroxide
- Magnesium Sulfate

Plant Nutrition cont:

- Manganese Sulfate
- Monoethanolamine (MEA)
- Monoammonium Phosphate
- Monopotassium Phosphate
- Phosphoric Acid
- Phosphorous Acid
- Potassium Acetate
- Potassium Carbonate
- Potassium Citrate
- Potassium Sulfate
- **Propylene Glycol**
- Sodium Hexametaphosphate
- Sorbitol, 70%
- Sulfuric Acid
- Tetra Potassium Pyrophosphate
- Tetra Sodium Pyrophosphate
- Urea
- Xanthan Gum
- Zinc Oxide
- Zinc Sulfate

Hoof & Udder Hygiene:

- Chlorhexidine
- Chlorine Dioxide
- Copper Sulfate Solutions
- Iodine
- Lactic acid

CIP Solutions:

- **Caustic Soda (NaOH)**
- Citric Acid
- Hypochlorite
- Nitric Acid
- Phosphoric Acid

Chemistries for Industry

INCLUSIVE SUPPLY

Whether you have inquiries about our sourcing solutions, want to explore quality product alternatives, or require personalized customer service, our team is here for you.

CASE, Construction, Paints, Inks, Dyes & Rubbers

- Accelerators
- Acrylic Resins & Emulsions
- Additives
- Antioxidants
- Dispersants
- Dyes & Pigments
- Epoxy Resins & Curing Agents
- Hydrocarbon resins & Tackifiers
- Phenolic Resins
- Plasticizers
- Polysulphides
- PU Elastomers
- Retarders
- Solvents
- Surfactants
- Water Repellants
- Waxes

Cosmetics & Personal Care:

- Actives / UV Filters
- Antioxidants & Preservatives
- Butters & Oils
- Castor Oils & Derivatives
- Emollients & Conditioners
- Emulsifiers
- Esters & Sorbitan Esters
- Fatty Alcohols & Waxes
- Solvents, Humectants, & Carriers
- Stabilizers
- Surfactants
- Thickeners & Rheology Modifiers

Food & Beverage

- Acidulants
- Anti-Caking Agents
- Anti-Foaming Agents
- Antioxidants

Food & Beverage (cont)

- Browning & Texturizing
- Cleaning & Sanitization
- Coating Agents
- Emulsifiers
- Firming Agents
- Flavor Agents & Enhancers
- Gelling Agents
- Homogenizing Agents
- Humectants
- Leavening Agents
- Peeling & Processing
- pH Buffering & Regulation
- Preservatives
- Stabilizers
- Sweeteners
- Thickening Agents & Binders

HI&I, Water Treatment & Pulp & Paper

- Acids & Bases
- Antioxidants
- Biocides & Disinfectants
- Bleaching Agents
- Chelants & Builders
- Corrosion Inhibitors
- Defoamers
- Fatty Acids
- Flocculants
- Humectants
- Phosphates
- Polymers
- Rheology Modifiers
- Salts
- Silicones
- Solvents
- Starches
- Surfactants

HI&I, Water Treatment & Pulp & Paper (cont)

- Green Emulsifiers
- Green Fatty Acids, Oils, & Waxes
- Green Solvents

Oil & Gas, Mining, Petrochemicals & Lubricants

- Amines
- Antifoam & Silicones
- Base Oils
- Cementing Additives
- Completion Chemicals
- Drilling Fluids
- Frac'ing Fluids
- Fuel Additives
- Glycols & Solvents
- Heat Transfer Fluids
- Lubricant Additives
- Production Chemicals
- Specialty Products
- Stimulation Chemicals
- Surfactants
- Workover Chemicals

Pharmaceutical & Biotech

- Alkalis
- Disintegrants
- Emulsifiers
- Excipients
- Humectants
- Lubricants
- Minerals
- Preservatives, Antioxidants and Acidifiers
- Solvents
- Surfactants
- Sweeteners
- Thickening Agents & Binders

Manufacturing & Laboratory

CUSTOM SERVICES

The manufacturing industry has its share of tensions, and we work to get ahead of them so that your business stays on course. We're reliable. We're responsive. We're agile. We take the time to establish relationships with you and your business, and we offer exceptional, hands-on customer support.

Certifications & Standards

- ISO-9001 certified facility
- GMP compliant
- NF/NSF capabilities
- Di-Water system
- ACD Responsible Distribution Verification

Quality Control

- Decrease overall costs by improving efficiency and rejection rates and providing your company with technical expertise
- Full-service laboratory testing, sample retention, and developmental formulating

Reliable Services

- Dedicated manufacturing equipment
- Palletizing, pallet banding, and stretch wrapping
- Wide range of finished packaging sizes
 - 1 gallon - 55 gallons
 - Ability to handle bags and supersacks
- Filling lines for small package containers and custom-fit supersack filling
- Ability to create small batches and developmental samples

Technical Expertise & Equipment

- Full-time Chemists on-site
- Quality control and Research & Development labs
- Specialty equipment for various industries
- Ability to aid in the development & manufacturing of custom formulations
- In-house lab analysis and testing services such as:
 - Gas-Chromatograph (GC) & Purity Testing
 - Moisture, pH, Color, Turbidity, and Sheen Analysis
 - Titrations Testing
 - UV/VIS Spectroscopy
 - Density (lbs/Gal) Testing
 - Flash Point & Loss on Drying Analysis

Proprietary Protection

- Trusted partner, dedicated to protecting your formulations and providing guidance and custom-fit solutions
- Contract manufacturing, packaging, and private labeling to meet your specifications

Catalynt Manufacturing & Laboratory

240 Foster Avenue, Bensenville, IL 60106, USA

P: +1(630) 521-1600 F: +1(630) 521-1616

For all your manufacturing needs – Powders, Liquids, Flammables, and Corrosives... We can do it all!

Broaden your range of capabilities and increase the variety of products your business can offer.

Connect & Consolidate

Connecting you to the materials and services you need.

Flexible, yet steadfast.

We are a reliable partner in an industry that can be unpredictable. We're also resourceful, finding and acting on creative solutions that change your business outlook.

Ambitious, yet caring.

When our partners win, we win. So we put our ambitious spirit to work to achieve mutual growth.

Straightforward, yet optimistic.

We speak clearly and without pretense to ensure your expectations are met, that crises are averted, and that we all get stronger and better along the way.

**Global Presence.
Local Excellence.**

We're reliable. We're responsive. We're agile.

We believe in curiosity, flexibility, and creating success for our partners.

By taking the time to understand your business, challenges, and what success looks like for you, Catalynt industry experts present unique sourcing options and custom solutions tailored to meet your needs. We are inspired by more than just solving your problems, we are inspired by you.

Your work is Important and that's important to us.

Our Consolidated Approach

UNDERSTAND

Meet to collaborate with members of several business areas to gain complete understanding of customer needs.

SHARE

Provide supply options, market intelligence, and data needed to inform pricing and supply each month or quarter.

SERVE

Provide a known and consistent team of CATALYNT staff who are available 24/7 to handle the business and ensure the expectations and needs are being met.

RECEIVE

Customer provides forecasts, purchase orders, and other necessary information.

SECURE

CATALYNT takes title to required products and stores them in CATALYNT warehouses for just in time delivery.

SUCCESS

Share a commitment to the health and success of the business together.

Your success is our success

- *This statement is often used, but at CATALYNT we live by a set of values and commitments dedicated to this premise*
- *We are committed to open transparency*
- *We get paid for our services. You will know what value you are getting in return*
- *We offer custom contracts tailored to ensure CATALYNT meets your needs as you require*
- *We detest "autopilot" and laziness*
- *We will never relax our efforts to improve cost positions, quality, and service*
- *You should always feel free to check on our efforts, but we will work to ensure you never feel the need*

We communicate with simple truth

- *If something goes wrong, you will hear it from us first. We believe in "pushing" information, not waiting for you to "pull"*
- *We do big business with a personal experience*
- *You will always have people you know to talk to, and we answer the phone*
- *While we employ advanced technology and can offer you that experience, we believe that it should never come at the expense of a personal interaction with someone who knows your business*
- *We believe that character still counts*
