## A message from **Our CEO**

**Megan E. Gluth, Esq.**

*CEO & Owner, Catalynt Solutions, Inc.*

*I am resolute in my contention that the same values with which I was raised are the ones that will guide me now. There are no shortcuts for hard work, one can only thrive in their integrity, and all people must be truly valued in our presence.*

- Chairwoman of the Board for the Alliance for Chemical Distribution (ACD)
- Women Presidents Organization (WPO) Women2Watch - 2024
- EY Entrepreneur Of The Year® Mountain West - 2023
- Business Journal's Middle Market Fast 50 Leaders of 2023
- Puget Sound Business Journal "40 Under 40" honoree - 2016

## **CATALYNT** **Mission Statement**

*WE ARE a dedicated team, and we work hard to transform ourselves and our communities for the better. We stand by our customers and suppliers through thick and thin. We anticipate their problems and deliver solutions, because their work is important to the world – and that's important to us. We are CATALYNT.*

## About **CATALYNT™**

***WE ARE committed, competitive, connected, and candid.  
Connecting you to the materials and services you need.  
We are CATALYNT.***

*Catalynt is one of the largest certified woman-owned suppliers of raw materials, ingredients, and chemical services in North America, serving industries for over 30 years. We are a certified small business with SBA, WOSB, WBENC, & NGLCC certifications.*

*Catalynt holds exclusive manufacturer relationships, provides industry market intel and product knowledge, and offers a wide range of services, including custom manufacturing, contract packaging, and full laboratory services. We do our best to anticipate disruptions in the supply chain and connect our customers to the materials they need, even in times of crisis.*

***Because your work is important to the world, and that's important to us.***

## Why Catalynt?

**Committed**

**Connected**

## Reach & Service

- 20+ Import & Stocking Points throughout the US
- Global sourcing from over 20 countries
- Customers include Fortune 500 companies and small family-owned businesses - we value them all
- ISO Certified contract manufacturing, packaging, laboratory and other chemical services at our plant in Bensenville, IL
- Dedicated support personnel for every account to ensure 24/7 access and support
- A deep portfolio of supplier partners to ensure access to quality products
- Comprehensive compliance and logistics services performed with rigor
- A diverse supplier committed to the uplift of our work together and our shared commitment to diversity

## Operational Excellence

- Decades of Global Purchasing and Logistics Experience
- In-house Import and Export Customs Clearance procedures and documentation management
- Demonstrating a sustained commitment to the success of our customers' enterprises
- Consistent review of inventory positions and recommended reorder points
- Maximizing freight benefits from multiple sources and providing an alternate routing solution

## Responsible Distribution

- Verified 'Responsible Distributor' – Alliance for Chemical Distribution (ACD)
- We follow the ACD's Responsible Distribution guiding principals and commitments to continuous performance improvement throughout the import, export, storage and handling process
- As a Responsible Distributor, we ensure compliance with all applicable laws and regulations set forth by governmental and organizational authorities
- Vet and utilize highest quality freight and warehouses for optimal order fulfillment

**Competitive**

**Candid**

# Chemistries for Sunscreen

SKIN & HAIR PROTECTION

Explore our versatile portfolio of high-performance UV filters, emollients, esters, and functional ingredients—formulated to elevate your next-generation sunscreen and beauty care innovations.

## Actives (UV Filters):

- **Avobenzone**
- **Butyl Octyl Salicylate (BOS)**
- Ensulizole (PBSA)
- **Homosalate**
- **Octyl Salicylate (OS)**
- Octocrylene
- **Octyl Methoxycinnamate(OMCX)**

## Antioxidants & Preservatives:

- **Benzoic Acid**
- **Butylated Hydroxytoluene**
- Caprylyl Glycol
- **Ethylhexyl Glycerin**
- **Phenoxyethanol**
- Sodium Benzoate

## Emulsifiers & Surfactants:

- Coco, Decyl, & Lauryl Glucoside
- Glyceryl Monostearate SE
- Glyceryl Stearyl Citrate
- PEG-40/60 Hydrogenated Castor Oil
- **Polyglyceryl Esters (PG3 Caprylate, PG10 Laurate)**
- Sorbitan Esters  
(Mono Laurate, Mono Stearate, Tristearate)

## Emollients, Solvents & Carriers:

- Butyl Octyl Salicylate
- **C12-15 Alkyl Benzoate**
- Diisopropyl Adipate
- Diisopropyl Sebacate
- Glyceryl Caprylate / Caprate
- **Isopropyl Myristate**
- **Isononyl Isononanoate**
- **Isopropyl Palmitate**
- Medium Chain Triglycerides
- Neopentyl Glycol Di Caprylate / Caprate
- **Octyl Palmitate / 2-Ethyl Hexyl Palmitate**
- Octyl Stearate / 2-Ethyl Hexyl Stearate
- Propylene Glycol Di Caprylate
- Trimethylol Propane Tri Caprylate

## Thickeners & Rheology Modifiers:

- Carboxy Methyl Cellulose
- Guar Gum Derivatives
- Xanthan Gum

## Other Functional Ingredients:

- Benzyl Alcohol
- Glycerin 99.7%
- **Propylene Glycol**

# Chemistries for Skin & Hair

## CLEANSE & CARE

Discover our curated portfolio of high-performance ingredients designed to elevate skin and hair care formulations—delivering luxurious textures, lasting nourishment, and multifunctional benefits for beauty applications.

### Emollients & Conditioning

- **C12-15 Alkyl Benzoate**
- Cetearyl, Cetyl, & Octyl (Ethyl Hexyl) Octanoate
- Diisopropyl Adipate
- Diisopropyl Sebacate
- Glyceryl Cocoate
- Glyceryl Caprylate
- **Glyceryl Monostearate (SE/NSE/Pure)**
- Hydrogenated Castor Oil
- **Isopropyl Palmitate**
- **Isopropyl Myristate**
- Octyl Palmitate / 2-Ethyl Hexyl Palmitate (OP/EHP)
- Octyl Stearate / 2-Ethyl Hexyl Stearate (OS/EHS)
- Pale Pressed Castor Oil

### Butters & Oils

- Cocoa Butter, Mango Butter, Shea Butter

### Fatty Alcohols & Waxes

- Behenyl & Arachidyl Alcohol
- Cetyl & Stearyl Alcohol NF
- Cetyl Esters Wax
- Cetyl Palmitate
- Cetearyl Alcohol NF (30/70 | 50/50)
- Lauryl Laurate
- Stearyl Behenyl Alcohol (50/50)
- Stearyl Stearate

### Thickeners & Rheology Modifiers

- Carboxymethyl Cellulose
- Guar Gum Derivatives
- PEG-40/50 Hydrogenated Castor Oil
- Xanthan Gum

### Surfactants & Cleansing Agents

- Cocoamidopropyl Betaine
- Cocoamidopropyl Hydroxy Sultaine

### Surfactants & Cleansing Agents (cont)

- Disodium Cocoampho Dipropionate & Diacetate
- Decyl, Coco, & Lauryl Glucoside
- Sodium Lauroyl Lactylate
- Sodium Stearoyl Lactylate

### Preservatives & Antimicrobials

- **Butylated Hydroxytoluene**
- Caprylyl Glycol
- **Caprylyl Hydroxamic Acid**
- Chloroxyleneol (PCMX)
- Chlorphenesin
- **Dehydroacetic Acid**
- DMDM Hydantoin
- **Ethylhexyl Glycerin (EHG)**
- **Ethylhexyl Glycerine + Phenoxyethanol**
- **Ethyl Lauroyl Arginate**
- **Glyceryl Monocaprylate**
- **Iodopropyl Butylcarbamate (IPBC)**
- **Phenoxyethanol**
- Sodium Benzoate

### Solvents & Humectants

- Benzyl Alcohol
- **Dipropylene Glycol**
- Glycerin 99.7%
- **Propylene Glycol**

### Actives & Functional Ingredients

- Behentrimonium Chloride
- Butyl Octyl Salicylate
- **Caustic Soda (Sodium Hydroxide)**
- **Ethyl Ascorbic Acid (EAA)**
- Glyceryl Stearyl Citrate
- Glycolic, Citric, & Malic Acid
- **Lecithins (Sunflower & Soy)**
- Octocrylene
- **Octyl Methoxycinnamate (OMCX)**
- **Sodium Ascorbyl Phosphate (SAP)**

# Chemistries for Cosmetics

## COLOR & CORRECTION

Explore our versatile range of ingredients crafted to enhance color cosmetics and correction makeup—delivering superior texture, skin feel, and performance for bold pigments, flawless finishes, and lasting wear.

### Actives & UV Filters

- **Avobenzone**
- Butyl Octyl Salicylate
- Ensulizole
- **Homosalate**
- **Octyl Salicylate**
- Octocrylene
- **Octyl Methoxycinnamate**

### Body Butters

- Cocoa , Mango, & Shea Butter

### Castor Oil & Derivatives

- Ethoxylated Hydrogenated Castor Oil – PEG 40/60
- Hydrogenated Castor Oil
- Pale Pressed Castor Oil USP

### Esters

- C8/C10 Fatty Acid Esters
- **C12-15 Alkyl Benzoate**
- **Cetearyl & Cetyl Octanoate**
- **Di Isopropyl Adipate**
- Di Isopropyl Sebacate
- Ethylene Glycol Distearate
- Ethylene Glycol Monostearate
- Glyceryl Esters
- Isononanoate Esters
- **Isopropyl Myristate**
- **Isopropyl Palmitate**
- Lactic Acid Esters
- Medium Chain Triglycerides
- Octanol Esters
- Octyl (Ethyl Hexyl) Octanoate
- Propylene Glycol Monostearate
- **Polyglyceryl Esters**

### Waxes & Wax Esters

- Behenyl Behenate
- Cetyl Esters Wax
- C12-18 Esters Wax
- Cetyl Palmitate & Myristate
- Lauryl Laurate
- Myristyl Myristate
- Stearyl & Cetyl Stearyl Stearate
- Stearyl Palmitate & Behenate

### Sorbitan Esters

- Sorbitan Mono Laurate
- Mono Oleate
- Mono Stearate, Tristearate

### Fatty Alcohols

- Arachidyl (C20) Alcohol
- Behenyl (C22) Alcohol
- **Cetyl Alcohol NF**
- Cetearyl Alcohol NF
- Stearyl Alcohol NF
- Stearyl Behenyl Alcohol

### Alkyl Polyglucosides (APGs)

- Coco Glucoside
- Decyl Glucoside
- Lauryl Glucoside

### Preservatives, Antimicrobials, Antioxidants

- **Benzoic Acid**
- **Blends of EHG + PE**
- **Butylated Hydroxytoluene**
- Caprylyl Glycol
- Chloroxylenol (PCMX)
- Chlorphenesin
- **Ethylhexylglycerin**

### Preservatives, Antimicrobials, Antioxidants

- Phenoxyethanol
- Sodium Benzoate

### Thickeners & Rheology Modifiers

- Carboxymethyl Cellulose (CMC)
- Guar Gum Derivatives
- Guar Hydroxypropyl Trimonium Chloride
- PEG-40/50 Hydrogenated Castor Oil
- Xanthan Gum

### Solvents

- Benzyl Alcohol
- Diisostearyl Malate
- **Dipropylene Glycol**
- **Octyl Palmitate**
- **Propylene Glycol**

### Surfactants

- Cocoamidopropyl Betaine
- Cocoamidopropyl Hydroxy Sultaine
- Disodium Cocoampho Dipropionate
- Disodium Cocoampho Diacetate
- Sodium Lauroyl Lactylate (SLL)
- Sodium Stearyl Lactylate (SSL)

### Other Products

- **Caustic Soda (Sodium Hydroxide)**
- Citric Acid
- Glycerin
- Glycolic Acid
- **Lecithins (Sunflower & Soy)**
- Malic Acid
- Triple-Pressed Stearic Acid

# Chemistries for Freshness

## ESSENTIALS & BASICS

Discover our curated selection of essential ingredients designed to elevate body care and fragrance formulations—offering performance, sensory appeal, and versatility for today's innovative beauty products.

### Antimicrobials, Antioxidants & Preservatives

- **Butylated Hydroxytoluene (BHT)**
- **Caprylyl Glycol**
- Chloroxylenol (PCMX)
- Chlorphenesin
- **Dehydroacetic Acid**
- **DMDM Hydantoin**
- **Ethylhexyl Glycerin (EHG)**
- **Phenoxyethanol (PE)**
- Sodium Benzoate

### Fatty Alcohols (Emollients, Emulsion Stabilizers)

- **Cetyl Alcohol NF**
- Cetearyl Alcohol NF
- Stearyl Alcohol NF

### Emollients & Conditioners (Skin Feel & Hydration)

- **C12-15 Alkyl Benzoate**
- Hydrogenated Castor Oil
- Glyceryl Cocoate (GC)
- Glyceryl Caprylate / Caprate (GCC)
- PEG-40 Hydrogenated Castor Oil

### Emollients & Esters (Fixatives/Texture Enhancers)

- **C12-15 Alkyl Benzoate**
- Isononyl Isononanoate (ININ)
- Octyl (Ethyl Hexyl) Isononanoate
- **Di Isopropyl Adipate (DIPA)**
- Di Isopropyl Sebacate (DIPS)
- Octyl Palmitate / 2-Ethyl Hexyl Palmitate (OP/EHP)

### Solvents & Humectants

- **Dipropylene Glycol**
- Glycerin 99.7% USP (RSPO)
- **Propylene Glycol**

### Solvents & Carriers

- **Benzyl Alcohol**
- **Butyl Octyl Salicylate (BOS)**
- **Dipropylene Glycol**
- **Propylene Glycol**
- **Octyl Palmitate**

### Surfactants (Cleansing Agents)

- Cocoamidopropyl Betaine
- Cocoamidopropyl Hydroxy Sultaine
- Disodium Cocoampho Dipropionate
- Disodium Cocoampho Diacetate
- Sodium Lauroyl Lactylate (SLL)

### Thickeners & Rheology Modifiers

- Carboxy Methyl Cellulose (CMC)
- Guar Hydroxypropyl Trimonium Chloride
- PEG-40 Hydrogenated Castor Oil
- Xanthan Gum

# Chemistries for Industry

INCLUSIVE SUPPLY

Whether you have inquiries about our sourcing solutions, want to explore quality product alternatives, or require personalized customer service, our team is here for you.

## **Agricultural, Farm & Feed**

- Feed & Digestion
- Fertilizers, Bio-Stimulants & Growth Regulators
- Functional raw materials
- Fungicides, Insecticides & Herbicides
- Hoof & Udder Hygiene
- Preservatives, Antioxidants and Acidifiers
- Processing & CIP Solutions
- Protein, Energy, Fiber Sources
- Technological Additives

## **CASE, Construction, Paints, Inks, Dyes & Rubbers**

- Accelerators
- Acrylic Resins & Emulsions
- Additives
- Antioxidants
- Dispersants
- Dyes & Pigments
- Epoxy Resins & Curing Agents
- Hydrocarbon resins & Tackifiers
- Phenolic Resins
- Plasticizers
- Polysulphides
- PU Elastomers
- Retarders
- Solvents
- Surfactants
- Water Repellants
- Waxes

## **Food & Beverage**

- Acidulants
- Anti-Caking Agents
- Anti-Foaming Agents
- Antioxidants

## **Food & Beverage (cont)**

- Browning & Texturizing
- Cleaning & Sanitization
- Coating Agents
- Emulsifiers
- Firming Agents
- Flavor Agents & Enhancers
- Gelling Agents
- Homogenizing Agents
- Humectants
- Leavening Agents
- Peeling & Processing
- pH Buffering & Regulation
- Preservatives
- Stabilizers
- Sweeteners
- Thickening Agents & Binders

## **HI&I, Water Treatment & Pulp & Paper**

- Acids & Bases
- Antioxidants
- Biocides & Disinfectants
- Bleaching Agents
- Chelants & Builders
- Corrosion Inhibitors
- Defoamers
- Fatty Acids
- Flocculants
- Humectants
- Phosphates
- Polymers
- Rheology Modifiers
- Salts
- Silicones
- Solvents
- Starches
- Surfactants

## **HI&I, Water Treatment & Pulp & Paper (cont)**

- Green Emulsifiers
- Green Fatty Acids, Oils, & Waxes
- Green Solvents

## **Oil & Gas, Mining, Petrochemicals & Lubricants**

- Amines
- Antifoam & Silicones
- Base Oils
- Cementing Additives
- Completion Chemicals
- Drilling Fluids
- Frac'ing Fluids
- Fuel Additives
- Glycols & Solvents
- Heat Transfer Fluids
- Lubricant Additives
- Production Chemicals
- Specialty Products
- Stimulation Chemicals
- Surfactants
- Workover Chemicals

## **Pharmaceutical & Biotech**

- Alkalis
- Disintegrants
- Emulsifiers
- Excipients
- Humectants
- Lubricants
- Minerals
- Preservatives, Antioxidants and Acidifiers
- Solvents
- Surfactants
- Sweeteners
- Thickening Agents & Binders

# Manufacturing & Laboratory

CUSTOM SERVICES

The manufacturing industry has its share of tensions, and we work to get ahead of them so that your business stays on course. We're reliable. We're responsive. We're agile. We take the time to establish relationships with you and your business, and we offer exceptional, hands-on customer support.

## Certifications & Standards

- ISO-9001 certified facility
- cGMP compliant
- NF/NSF capabilities
- DI Water system
- ACD Responsible Distribution Verification

## Quality Control

- Decrease overall costs by improving efficiency and rejection rates and providing your company with technical expertise
- Full-service laboratory testing, sample retention, and developmental formulating

## Reliable Services

- Dedicated manufacturing equipment
- Palletizing, pallet banding, and stretch wrapping
- Wide range of finished packaging sizes
  - <1 gallon - 55 gallons
  - Ability to handle bags and supersacks
- Filling lines for small package containers and custom-fit supersack filling
- Ability to create small batches and developmental samples

## Technical Expertise & Equipment

- Full-time Chemists on-site
- Quality control and R&D laboratory systems
- Specialty equipment for various industries
- Ability to aid in the development & manufacturing of custom formulations
- In-house lab analysis and testing services such as:
  - Gas-Chromatograph (GC) & Purity Testing
  - Moisture, pH, Color, Turbidity, and Sheen Analysis
  - Titrations Testing
  - UV/VIS Spectroscopy
  - Density (lbs/gal) Testing
  - Flash Point & Loss on Drying Analysis

## Proprietary Protection

- Trusted partner, dedicated to protecting your formulations and providing guidance and custom-fit solutions
- Contract manufacturing, packaging, and private labeling to meet your specifications

## Catalynt Manufacturing & Laboratory

240 Foster Avenue, Bensenville, IL 60160, USA

P: +1(630) 521-1600 F: +1(630) 521-1616

*For all your manufacturing needs – Powders, Liquids, Flammables, and Corrosives... We can do it all!*

*Broaden your range of capabilities and increase the variety of products your business can offer.*

## Connect & Consolidate

### UNDERSTAND

Meet to collaborate with members of several business areas to gain complete understanding of unique needs

### SHARE

Provide supply options, market intelligence, and data needed to inform pricing and supply each month or quarter

### SERVE

Provide a known and consistent team of CATALYNT staff who are available 24/7 to handle the business and ensure the expectations and needs are being met

### RECEIVE

Customer provides forecasts, purchase orders, and other necessary information

### SECURE

CATALYNT takes title to required products and stores them in CATALYNT warehouses for just in time delivery

### SUCCESS

Share a commitment to the health and success of the business together

## Your success is our success

- *This statement is often used, but at CATALYNT we live by a set of values and commitments dedicated to this premise*
- *We are committed to open transparency*
- *We get paid for our services - You will know what value you are getting in return*
- *We offer custom contracts tailored to ensure CATALYNT meets your needs as you require*
- *We detest "autopilot" and laziness*
- *We will never relax our efforts to improve cost positions, quality, and service*
- *You should always feel free to check on our efforts, but we will work to ensure you never feel the need*

## We communicate with simple truth

- *If something goes wrong, you will hear it from us first - We believe in "pushing" information, not waiting for you to "pull"*
- *We do big business with a personal experience*
- *You will always have people you know to talk to, and we answer the phone*
- *While we employ advanced technology and can offer you that experience, we believe that it should never come at the expense of a personal interaction with someone who knows your business*
- *We believe that character still counts*

## **Connecting you to the materials and services you need.**

### **We want to be your full-service supplier.**

#### **Flexible, yet steadfast.**

We are a reliable partner in an industry that can be unpredictable. We're also resourceful, finding and acting on creative solutions that change your business outlook.

#### **Ambitious, yet caring.**

When our partners win, we win. So we put our ambitious spirit to work to achieve mutual growth.

#### **Straightforward, yet optimistic.**

We speak clearly and without pretense to ensure your expectations are met, that crises are averted, and that we all get stronger and better along the way.

#### **Global Presence.**

#### **Local Excellence.**

We're reliable. We're responsive. We're agile.

### **We believe in curiosity, flexibility, and creating success for our partners.**

By taking the time to understand your business, challenges, and what success looks like for you, Catalynt industry experts present unique sourcing options and custom solutions tailored to meet your needs. We are inspired by more than just solving your problems, we are inspired by you.

### **Your work is important and that's important to us.**
