Urea Hydrochloride Solution

Urea Hydrochloride Solution, Manufactured to Your Specification

A trusted urea hydrochloride supplier for masonry rust remover formulators, industrial cleaning brands, and water treatment companies - custom concentration, domestic manufacturing, and volumes from pail to tanker. Unlike a fixed off-the-shelf grade, our urea hydrochloride is custom-manufactured to the concentration your formulation requires; because as a custom manufacturer, we build to your spec rather than asking you to build around ours.

PRODUCT SNAPSHOT

Active Ingredient	Urea Hydrochloride Solution (CAS 506-89-8)
Formulation	Ready-to-use aqueous solution — urea-buffered hydrochloric acid product
Physical form	Clear to slightly hazy liquid
Specification	Custom concentration bands manufactured to order at <5 to >40%
Container Sizes	1 gal, 2.5 gal, 30 gal, 55 gal, 275 gal tote, and bulk tanker
Manufactured	Bensenville, IL, USA — domestic supply, no import lead times

WHY UREA HYDROCHLORIDE SOLUTION FROM CATALYNT

- Custom concentration, made to order: Tell us your target Acid Value or HCl-equivalent and we manufacture to it, not a single fixed grade
- Domestic manufacturing: Produced at our Bensenville, IL facility, meaning shorter lead times and fewer import-driven supply disruptions
- Formulated into products across multiple industries:
 - Masonry & Rust Remover Formulations
 - Industrial & Institutional Cleaning
 - Scale Removal & Water Treatment
 - Pulp & Paper, Textile & Leather Tanning
- Sized to how you actually buy: Whether you're sampling a new formulation or running full production volume, we meet your custom packaging needs

YOUR FULL-SERVICE SUPPLIER

One of the largest certified women-owned suppliers and service providers for raw materials and ingredients in North America.

Why Catalynt? One of North America's largest certified woman-owned custom manufacturing, packaging, and raw material suppliers, with U.S.-based manufacturing in Bensenville, Illinois. Catalynt combines reliable domestic supply with full-service logistics, regulatory and compliance support, and responsive, relationship-driven customer service.

CATALYNT meets YOUR needs as YOU require.

CONSOLIDATE

Full-line of quality specialty chemistries and commodity raw materials that meet your specifications to match an array of applications and end-uses.

MANUFACTURE

We combine technological expertise with strong production capabilities to offer our customers a wide range custom manufacturing, packaging, and private labeling service

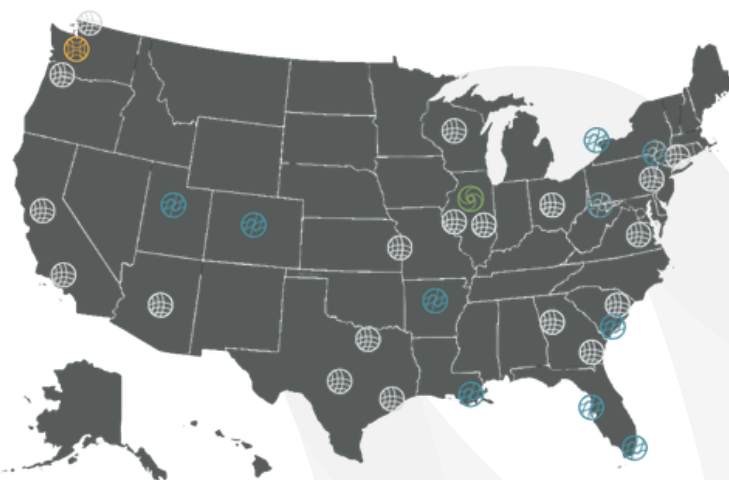

QUALITY CONTROL

Full service quality control lab, with the ability to test for customer required specifications on finish goods or raw materials. Samples retained at customer's request.

DELIVER

Products in stock to ensure just in time deliveries on an as-needed basis. Reduce in-house storage and keeps raw material inventory off the books until it is needed.
